**REVISED SCHEDULING ORDER
AND NOTICE OF DISMISSAL**

This order revises the schedule in this case and acknowledges the dismissal by the complainant based on a settlement with the school district.

By agreement, the deadline for completion and mailing the decision was extended to November 26, 2002, to December 31, 2002, to January 31, 2003 and to February 7, 2003. On February 6, 2003, the district informed the undersigned that the agreement had been signed but was not yet delivered to complainant's attorney. The district, therefore, requested another extension to February 14, 2003. That request was granted. The deadline for completion and mailing the decision is now February 14, 2003.

On February 12, 2003, counsel for the complainant notified the undersigned that the settlement agreement has been completed, and complainant sought to dismiss with prejudice his due process complaint. Therefore, this order now terminates the due process proceeding, with prejudice.

Dated: February 13, 2003
